

REPORT ON NATIONAL SPORTS DAY CELEBRATION 2026

Bhattadev University

Date: 28-29 August 2026

Organised by: Bhattadev University

In Collaboration with: National Cadet Corps (NCC) and National Service Scheme (NSS)

Bhattadev University observed National Sports Day 2026 on 29 August 2026 with great enthusiasm and active participation from students, faculty members, NCC cadets, NSS volunteers, and members of the University community. National Sports Day is celebrated every year in India on 29 August to commemorate the birth anniversary of Major Dhyan Chand, one of India's greatest hockey players and an enduring symbol of sporting excellence, discipline, and dedication.

With the objective of promoting physical fitness, sports participation, healthy lifestyles, and awareness about the importance of regular physical activity, Bhattadev University organised a series of sports and fitness-oriented activities over two days, on 28 and 29 August 2026. The programmes were organised with the collaboration and active support of the NCC and NSS units of the University.

The National Sports Day Celebration 2026 at Bhattadev University was successfully conducted through a series of meaningful sports and fitness activities. The Volleyball Match between Faculty and Students on 28 August 2026 under the initiative “Ek Ghanta Khel Ke Maidan Mein”, followed by the Fitness Awareness Rally on 29 August 2026, provided an excellent platform for promoting sports, physical fitness, teamwork, and healthy living.

The enthusiastic participation of the University community, along with the active collaboration of NCC and NSS, contributed significantly to the success of the programmes. The celebration reinforced the University's commitment to fostering a culture of sports, fitness, discipline, and holistic development among its students and staff.

The National Sports Day celebration thus served not only as a commemoration of Major Dhyan Chand but also as a meaningful initiative to inspire the University community to play, stay fit, and embrace an active lifestyle.
