PRESS RELEASE

Bhattadev University alumnus Krishangi Kashyap to attend NASA's conference

Pathsala, March 02: Krishangi Kashyap, a former student of Bhattadev university, Bajali has been selected to attend the NASA's "55th Lunar and Planetary Science Conference" to be held in Texas, USA from 11-15 March, 2024. Krishangi was a student of Department of Physics, Bhattadev University, Bajali from the batch 2018-2021 and currently pursuing her MSc. in Astronomy from IIT Indore, Madhya Pradesh. NASA has selected her research work, titled "Surface and Subsurface Regolith Characterisation of Lunar South Pole using Chandrayaan-2 Dual-frequency Synthetic Aperture Radar" for presentation in the 55th Lunar and Planetary Science Conference. Krishangi has done her study under the research guide Dr. Unmesh Khati, Assistant Professor, IIT, Indore, department of Astronomy, Astrophysics and Space Engineering. The conference is to be held in blended mode and Krishnagi Kashyap will present her work in virtual mode. The Vice Chancellor of Bhattadev University, Dr. Birinchi Kumar Das congratulates her for this outstanding achievement.
